Dear Wildcat Hockey Fans, Friends & Alumni:

THE WILDCAT HOCKEY BOOSTERS are conducting their annual sponsorship campaign to support the quality ice hockey program that our community has come to expect and enjoy. We believe the success of the hockey program has been a direct result of the players' hard work and commitment, and the overwhelming support of the fans, friends, alumni, and community. The Wildcat hockey team, which has won 13 Sectional and 3 New York State Championships, is looking forward to another exciting season. We hope our sponsors take pride in the program as we depend greatly on their generous contributions each year. Much is expected of the hockey players on the ice, in the classroom, and in the community. In addition to their success on the ice, the team is recognized as a New York State Scholar-Athlete team, participates in community service activities, and volunteers with the youth hockey players in the Town of Camillus.

Please consider becoming a sponsor this season. All of our sponsors will be recognized in the game programs. The Wildcat Hockey Boosters appreciate your support.

Thank you,
Thomas M. Colabufo
